Though persons advocable to the work of the control of the control

A Bensveient Institution, established by special endowment for the relief of the sick and distressed, afficted with Firstest and Epidemic diseases.

To all persons afflicted with Sexual Diseases, such as SPERMATORRHICE, GONORRHICE, SWINAL WEAKNESS, INPOTENCE, GONORRHICE, GONORRHICE, THE ABUSE & C., &C.,

The HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by Sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by Quecks, severil years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their bame, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give MKHICAL ADVICE GHATIS, to all who apply by letter, with a description of their condition, age, occupation habit of life, &c.,) and in cases of extreme powerty, by FURNISH MEDICINES FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will fornish the most approved modern treatment.

The Directors, on a review of the past, feel assured that their labers in this sphere of benevolent effort, have been of great benefit to the alficied, especially to the young, and they have readived to devole themselves, with renewed cause.

Ashland Marble Works! (5% Greatest Discovery of the Age To IMPORTANT TO

TOBACCO CHEWERS! DR. GUSTAV LINNARD'S TASTE RESTORATIVE TROCHES! The Queat Substitute for Tobacco.

I Tis a well known and incontrovertible fast that the inordinate use of Tahacon is the pramating cause of many of the most severe MENTAL AND PHYSICAL DISORDERS MENTAL AND PHYSICAL DISORDERS
to which the race of man is subject, ascareful analysis and long and painful experience have clearly proven that it contains certain majorite proparties must instituous in their effects, which, by sutering into the blood; derange the operations and functions of the Heart, causing many to suppose they are irosted with a chronic affection of that or an TOBACCO affects also the cuffer nervous system, manifesting itself; as all who have used the next one weed with bear testimony—in Lessinde, Nervous Irritability, Water Brash, Dyspeppia, and many eight disorders of a similar character.

THE TASTE RESTORATIVE TROCHES Are designed to counteractithese baneful influences, and have proved completely successful in a multiindee of cares, and wherever used. Being harmises in themselves they exert abeneficial effect upon the entire system, restoring the Teste which his become vitiated by great indulgence, completely remarking the irritation accompanying ticking sensation of the Throat—which are always consequent upon abstantial from the use of Pobacco, and by rwing a healthy tone to the Stomach, invigorals the whole system.

NOEXCUSE Ness henceforth ever be made by TOBACCO CHEW ERS that there exists no perfect substitute or relie for their cravings and lumpiessant feetings, when at temption to break of from the use of Tobacco, ratte TROCHES or Lozenges are warranted to perform all such offices. They are plut up at a convenient and perfectled up to the substitute of the substitute o Prepared solely by the undersigned, to whom all orders should be addressed JAMES E.
